<b>Herbee Noir - 5.0%</b> Dark Lager, ruby red in colour, with a chocolatey coffee flavour, that is milder, and smoother compared to British stouts and porters. It lends itself to the dark roasted malts along with the roundness and crispness of a lager.	8	12	24
<b>Herbee Märzen Festival Beer 4.8%</b> This lager style beer which displays a rich pale to amber colour, with clean, light malty, yet very thirst quenching character medium to full body with a firm hop flavour. A traditional German Oktoberfest beer!	8	12	24
<b>Herbee Weedy 4.8%</b> Wheat Beer traditional Bavarian style with a thirst quenching burst of banana. This beer has hints of vanilla and a subtle taste of aromatic hops coming through at the end.	8	12	24
<b>Herbee Dredd 5.0%</b> Red Ale brewed with a blend of darker malts, which in turn contribute to the copper reddish colour. Combined with ale yeast, this beer has rich fruit robust flavours that produce a round flavour on the palate.	8	12	24
<b>Olly's Kolsch 4.8%</b> This tasty ale is fermented at a cooler temperature which results in a less fruity taste. It is bright and clear with a straw yellow hue. Perfectly refreshing on a hot day or anytime of the year.	8	12	24
