Herbee Pilsner 4.8%

This beer has a beautiful bouquet of hop aroma & honey sweetness. Easy to drink with a lower bitterness and lower carbonation.

Herbee Noir - 5.0%

Dark Lager with a chocolatey coffee flavour, that is milder, and smoother compared to British stouts and porters.

Herbee Sativa 4.8%

A New world style pale ale utilising Sativa hops, myrcene and pinene terpenes. Tropical and stone fruit aromas meld with a resinous finish.

Herbee Weedy 4.8%

A traditional Bavarian style Wheat Bier made using 50% wheat malt with a thirst quenching burst of banana. This flavourful beer has hints of vanilla and a subtle taste of aromatic hops coming through at the end.

Herbee Indica 4.8%

This beer displays a rich amber colour with a clean, light malty, yet very thirst quenching character— finished by delicate but firm hop flavour.

Herbee Dredd 5.0%

Red Ale brewed with a blend of darker malts, which in turn contribute to the copper reddish colour. Combined with ale yeast, this beer has rich fruit robust flavours that produce a round flavour on the palate.

Herbee Chill 6.5% NEW

A cold IPA with upfront tropical fruit aromas, a resinous palette with a slight hint of mature hemp and a medium bitter finish.

Olly's Kolsch 3.6%

This tasty ale is fermented at a cooler temperature which results in a less fruitier taste, PERFECT for a hot day in the Swan Valley or any time of the year.
